ORDER TERMINATING WAGE  
GARNISHMENT

(Doc. No. 15)

This matter is before the court on plaintiff United States' request for an order terminating writ of wage garnishment. (Doc. No. 15.) As set forth in plaintiff's original application for a writ of garnishment, the United States sought to garnish twenty-five percent (25%) of defendant Esteves's non-exempt disposable earnings held by Forgen, LLC. (Doc. No. 1.) In the court's final order of continuing garnishment, the court ordered that "[t]he garnishment shall terminate when (1) the United States seeks to terminate the writ or (2) when the judgment amount and litigation surcharge are fully satisfied." (Doc. No. 13 at 3.) The United States now requests that the writ of wage garnishment be terminated pursuant to 28 U.S.C. § 3205(c)(10). (Doc. No. 15.)

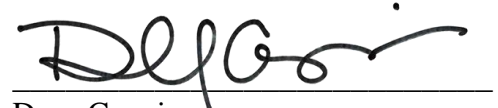

Good cause appearing from the review of the court files and the United States' request for

1 an order terminating wage garnishment, the United States' request (Doc. No. 15) is granted. The  
2 writ of garnishment issued against defendant Jacob David Esteves is hereby terminated pursuant  
3 to 28 U.S.C. § 3205(c)(10).

4 The Clerk of the Court is directed to close this miscellaneous case.

6 IT IS SO ORDERED.
